

Chamodyha Peshan Kehelgamuwa

Aspiring Full Stack Software Engineer

ABOUT ME

Software Engineering undergraduate focused on building secure, scalable and user-friendly full-stack applications. Strong interest in backend architecture, REST APIs, databases and modern web interfaces.

CONTACT

TECHNICAL SKILLS

C# / ASP.NET Core	Advanced
React / Next.js	Advanced
Java / Spring Boot	Strong
Node.js / Express	Strong
SQL / Database Design	Advanced

TOOLS & PLATFORMS

- Git
- GitHub
- Swagger
- Postman
- Visual Studio

PROFESSIONAL PROFILE

Motivated Software Engineering undergraduate with hands-on experience designing and developing secure, scalable and user-focused web applications. Proficient in ASP.NET Core, React, Next.js, Spring Boot, Express.js, SQL Server and PostgreSQL. Experienced in REST API development, JWT authentication, role-based authorization, database design and responsive UI development through academic and personal projects.

EDUCATION

- BSc (Hons) in Software Engineering** 2024 — 2028
NSBM Green University
 - Expected graduation: **2028**
 - Consistently achieved A and A+ grades in core computing modules.
 - Key areas: software engineering, algorithms, databases, networking, operating systems and enterprise development.

G.C.E. Advanced Level Examination

2022
R/Eheliyagoda Central College
Mathematics Stream

Combined Mathematics	S
Physics	C
Information Technology	B
English	C

G.C.E. Ordinary Level Examination

2019
R/Eheliyagoda Central College

Mathematics	A	Sinhala	A
Science	A	History	A
English	B	Geography	A
Health	A	Buddhism	A
Drama	B		

CERTIFICATIONS

FigMate UI/UX Workshop 2025

Certificate of participation in a hands-on Figma UI/UX workshop.

Association of
Computer & Data
Science — NSBM
Green University

Pyleague '25 Python Coding Challenge

Participation certificate recognising practical Python coding skills.

Association of
Software Engineering
— NSBM

projects

Adobe Photoshop & Illustrator Design Course

Completed design training using Adobe Photoshop and Illustrator with Grade A.

TECHNEE Graphic Designing

Certificate in IT — Graphic Designing

Completed a three-month Information Technology and graphic-design programme with Grade A.

TECHNEE — Navodaya Higher Education Institute

Python for Beginners

Completed an online learning programme covering introductory Python programming.

University of Moratuwa — CODL

Web Design for Beginners

Completed an online learning programme covering fundamental web-design concepts.

University of Moratuwa — CODL

FEATURED PROJECTS

FLAGSHIP

HirePath AI

AI-Powered Recruitment Platform

Led backend architecture, authentication, security and integration for a multi-role recruitment platform.

- Built secure authentication with JWT, ASP.NET Identity and OTP verification.
- Developed Platform Admin, Company Admin and recruitment workflows.
- Created analytics dashboards and secure REST APIs.
- Designed SQL Server data access using Entity Framework Core.

ASP.NET Core 8

React

SQL Server

EF Core

JWT

ASP.NET Identity

Bus Eka

Online Bus Reservation Platform

Full-stack reservation solution with recurring trip templates, automated trip generation and passenger booking.

Next.js

Express.js

Prisma

PostgreSQL

NexaERP

Enterprise Resource Planning System

Developed ERP modules for users, roles, projects, tasks, audit logs and system administration.

React

Spring Boot

PostgreSQL

NextStep

Student Services Platform

Implemented Lost & Found, Shuttle Service, Club Events and JWT-based authentication.

React

Spring Boot

JWT

FiveSamath.API

Educational Learning API

Designed APIs for lessons, quizzes, authentication and structured educational content.

ASP.NET Core

EF Core

SQL Server

ACHIEVEMENTS

- Consistently achieved A and A+ grades across core Software Engineering modules.
- Designed and developed 7+ full-stack applications using modern technologies.
- Implemented secure authentication using JWT, ASP.NET Identity and OTP verification.
- Applied clean architecture, repository patterns, database normalization and Git workflows.

CORE COMPETENCIES

Full Stack Development

REST API Design

Software Architecture

Database Design

Authentication & Security

Responsive UI Development

Git & Team Collaboration

Problem Solving
